

FRIENDS OF HOMEYARDS BOTANICAL GARDENS
in SHALDON **(CIO Reg No: 1159641)**

The Friends group was set up in 1989 to promote the proper maintenance and enhancement of Homeyards Botanical Gardens. 'Friends' pay a modest annual membership subscription which entitles them to a vote; their contact details are entered onto a database and they're kept informed of any developments in the Gardens. Supporters of this historic and beautiful space are not only villagers but come from far and wide.

Friends have funded and planted up the pond and rill area, undertaken a refurbishment of the lower woodland area, with the assistance of the Devon Gardens Trust planted a row of Hawthorn trees and most recently provided new colourful planting to the bank leading up from the pond. Volunteering sessions to help with ongoing maintenance of the Gardens are run from 10am on every 2nd and 4th Tuesday of the month. The group's committee meet several times a year and liaise regularly with the Garden's owners Teignbridge DC's Green Spaces department. The Friends have published a book 'Aturfuqil's Shaldon' detailing the historic background. Further details and contact via our website: <https://shaldonbotanicalgardens.org/>
